

## What We Offer

Talk to Friendly Pool families and you will hear similar stories: "My kids love the pool and would stay here all day if we let them; our children learned to swim at Friendly and are active on the Swim Team; we joined the pool last year and made great friends!

Summer is the time to relax and unwind, even when you don't get the summer off. After dinner, family swims are popular at Friendly, including Friday Night Float Nights and Wubit Nights!

- Funraising events, which allow our members to connect in a meaningful way while enjoying the lovely grounds of the Club.

## The History of Friendly Park

Friendly opened for members in the summer of 1958 on the same land as it stands today—7.5 acres of shaded property bounded on one side by Buffalo Creek and wooded lots. Friendly is the oldest neighborhood pool still in operation in Greensboro, and we remain one of the most competitively priced pool clubs in town.

Friendly is not just a swim and tennis club, it is a year-round community. Friendly is a neighborhood pool that is run by its members, and conveniently located near Friendly Shopping Center. Our members enjoy swimming, tennis, water polo, lawn sports, basketball, and many social events.

The Friendly Frogs Swim Team competes in the Greensboro Community Swim Association (CSA). The Frogs won their first CSA Championship in 1959, and have won eleven CSA Championships since that time. In 2017, they came in fourth after a very successful and enjoyable meet.

With beautiful facilities, a welcoming community, and lots of fun to be had, Friendly Park Pool & Tennis Club is a gem among neighborhood pools in Greensboro!

**“ The value of a family membership isn’t even close to comparable to other pools in Greensboro. This place is a hidden gem! ”**
